#### **FOR IMMEDIATE RELEASE**

*Through August 27, 2008*

### **Gulf Coast Humane Society to Receive \$25,000 In-Kind Donation**

*Fort Myers, FL* – Local hurricane protection professionals, New Code Windows & Doors, has generously donated \$25,000 in new windows and professional installation to Gulf Coast Humane Society. Bruce Hoovis, owner of New Code Windows & Doors, says that installation of the new windows will take place throughout the weekend beginning Friday July 25, 2008 at our shelter facility located at 2010 Arcadia Street in Fort Myers.

The Gulf Coast Humane Society property houses numerous buildings, several of which are over 50 years old. At any given time these buildings house a combined 250-300 homeless animals. Windows in the dog kennels, adoption center, cat socialization rooms, offices, and administration building will be replaced with modern impact resistant windows.

New Code Windows & Doors is a locally owned company whose management has over 25 successful years of experience in the hurricane protection industry. New Code offers tested and hurricane certified windows and doors designed not only for new construction and remodeling but also for replacing the windows and doors in existing homes. Their generous donation will ensure the safety and security of animals and humans at Gulf Coast Humane Society well into the future.

Please join us in thanking New Code Windows & Doors for their dedication to the community and animals of Southwest Florida! Stop by Friday July 25, Saturday July 26, and Sunday July 27 to check out the installation of our new windows. *Gulf Coast Humane Society is always in need of in-kind professional supplies and services such as landscaping, fence repair, painting, plumbing, and electrical. If you or your business is interested in making an in-kind donation, please contact Don Cohen at 239.332.0364 ext. 304.*

The mission of the Gulf Coast Humane Society is to provide humane care for surrendered animals in Southwest Florida by offering refuge, providing medical care, and facilitating an adoptive home.
