### **Gulf Coast Humane Society In Need of Purina ONE Pet Food Products**

*Fort Myers, FL* - Gulf Coast Humane Society is pleased to announce that all dogs and cats housed in the Fort Myers shelter are now eating a consistent diet of Purina ONE brand Pet Food products only. The dietary transition began last week and is now complete. This consistent diet will reduce environmental stress on the animals and help to eliminate digestive disorders associated with frequent changes in diet.

Your help is needed! As a non-profit animal welfare organization, Gulf Coast Humane Society relies on donations of pet food and this need has become even greater as we move forward with this vital nutritional program for the animals in our care. Gulf Coast Humane Society invites you to join us as we embark upon this exciting transition and to please consider making a generous donation of Purina ONE brand Pet Food products or a financial contribution to our Pet Food Fund. Purina ONE brand Pet Food products are available in dry and canned formulas and can be purchased at most major pet stores, grocery stores, and discount department stores.

Donations are graciously accepted seven days a week at our shelter facility Monday through Saturday from 9 AM to 4:30 PM and Sunday from 10 AM to 3:30 PM. For more information, please call 239.332.0364 ext. 308. Your on-going support is needed and greatly appreciated!
