

Mission 2012

Mission 2012 is a series of campus-wide facelifts and upgrades at our shelter and clinic in 2012 that will maximize the comfort and care of our animals, and improve and enhance the experience of our guests.

Cat Rooms/Indoor-Outdoor Free Roaming Areas - \$10,000

CAT ROOM: **BEFORE**

OUTDOOR FREE ROAMING AREA: For the first time, our shelter cats will have access to fresh air and sunshine in a brand new, cage-less and free roaming play area.

OUTDOOR FREE ROAMING AREA: **NEW**

CAT ROOM: **AFTER**

INDOOR FREE ROAMING AREA: **NEW**

INDOOR FREE ROAMING AREA: Fewer cages with more room to play and roam free will be highlights of our new cat rooms. With this new design, our cats will be better socialized and potential adopting parents will be able to interact with the cats in a more home-like environment.
