

Mission 2012

Mission 2012 is a series of campus-wide facelifts and upgrades at our shelter and clinic in 2012 that will maximize the comfort and care of our animals, and improve and enhance the experience of our guests.

MEET-AND-GREET COURTYARDS - \$5,000

MEET-AND-GREET COURTYARD: BEFORE

MEET-AND-GREET COURTYARDS: The existing meet-and-greet courtyards for our canines have too much concrete surface and no shade. Our new courtyards will feature a more "paw-friendly" alternative ground surface and much-needed shade from the hot Florida sun.

MEET-AND-GREET COURTYARD: AFTER

MEET-AND-GREET COURTYARD: BEFORE

MEET-AND-GREET COURTYARD: AFTER

MEET-AND-GREET COURTYARDS: Our new courtyards will feature fun, interactive play areas for dogs and their potential adopting parents to get to know each other in an environment less like a kennel, and more like a back yard.
