FOR IMMEDIATE RELEASE

GULF COAST HUMANE SOCIETY'S ROXINE'S SURGERY SCHEDULED

FORT MYERS, FL., June 19, 2013- [The Gulf Coast Humane Society](#), 2010 Arcadia Street, Fort Myers, raised the amount needed to fund the next [Second Chance Fund](#) recipient's surgery in just over one week. [Roxine](#), an almost three year old Black Mouth Cur Mix has two torn Cruciates in her rear legs and is in need of surgery to repair both legs. Her surgery is scheduled for Thursday June 20, 2013.

Generous donations of all amounts poured in upon announcing Roxine's need for surgery, just over one week ago. The Gulf Coast Humane Society is appreciative of the substantial support received from the Southwest Florida community.

The tears in Roxine's legs are similar to ACL tears, often seen in athletes, and are incredibly painful. With a discount from [Dr. Eisele, DVM](#), with [Specialist in Veterinary Surgery](#), Roxine's surgery is going to cost \$2,850. This amount does not include previous or continuing medication.
