

Gulf Coast Humane Society Veterinary Technician Position Description

About Gulf Coast Humane Society

The Gulf Coast Humane Society is a private 501(c)(3) not-for-profit animal welfare organization that receives no federal, state, or county funding and no funding from the Humane Society of the United States, and relies solely on donations, grants, bequests and fundraising events to further its mission of caring for the neglected and abandoned animals of southwest Florida.

GCHS is a no-kill shelter and does not euthanize any animal for lack of space or length of time that they are in our care. The GCHS Veterinary Clinic provides care to both public clients from the surrounding community, while also caring for animals under the care of the shelter.

About the Position

The veterinary technician works under the direct guidance of the doctor(s) and are responsible for assisting the practitioners to the fullest extent possible, to help improve the quality of care given to the patients of the Gulf Coast Humane Society Veterinary Clinic. This includes helping to achieve greater efficiency by relieving veterinary staff of technical work and administrative details.
